

Account Executive – IT centric Integrated Security Systems Sales

Do you finding people and business who truly want best of class solutions? Do you want to work independently with a reputable company behind you? If you want a career that always needs to stay on top of new technology and systems Ojo Technology might be the place for you.

- **Full time**
- **Competitive salary**
- **Commission**
- **Training**
- **Medical, Dental, Vision and Plans**
- **Simple IRA Plan**
- **Vacation**
- **Strong culture that strives for individual and team betterment**

We at Ojo install and service access control, video and security systems for public transportation, educational institutions, local government, office and technology centers all around the Bay Area.

Installation is not just about stringing low-voltage cable and attaching hardware to walls and ceilings; it's about designing, implementing and maintaining a fully integrated security system that provides customers with intelligent and centralized management that meets our fast pace lifestyle.

Requirements:

5 years related sales experience

Proficient with Microsoft Office software

Key Deliverables:

Exceeding sales plan

Meaningful sales forecasting
